

# The 5th Johns Wooten Neurological Symposium

PRESENTED BY THE DEPARTMENT OF NEUROLOGY

University of Virginia, Charlottesville, VA

Saturday, May 14, 2016

Jordan Hall Conference Center

---

## PROGRAM OVERVIEW:

- ◆ Our two keynote speakers, E. Clarke Haley, MD (left) and Fred Wooten, MD (right), will discuss their personal perspectives on advances in their fields of expertise, each looking back on their 30-plus year careers to provide insights on where we've been, where we are now, and where we might go in the future.
- ◆ Our other speakers will also provide neurologists the opportunity to update their clinical practice and learn more effective ways to treat and diagnose their patients. Topics discussed will be genetic testing, use of AEDs, updates in dementia and in autoimmune CNS diseases.

Registration will be available at [cmevillage.com](http://cmevillage.com)
