

# UVA Spine Course

Save the Date | September 11-12, 2015

- Interactive presentations by spine surgeons and providers from neurology, radiology, pain management, physical medicine, rehabilitation and more
- Intended for primary care physicians, neurologists, midlevel providers and others diagnosing and managing conditions of the spine

**The first 60 registrants will receive tickets to the UVA vs. Notre Dame football game.**

Additional details will be released closer to the date, including information about CME credits (pending approval) and affordable registration and hotel options.

For more information, please contact Jamie Meyerhoeffler at [jam2n@virginia.edu](mailto:jam2n@virginia.edu) or **434.981.6988**.
