PROGRAM DESCRIPTION

This continuing medical education course is designed to provide general and community based gastroenterology physicians, general, internal medicine and family medicine physicians, physician's assistants and nurse practitioners an opportunity to learn about and discuss the advances in the diagnosis and treatment of patients with liver disease and luminal GI diseases. This year's course will cover topics from a nutritional focus on GI patients (Friday afternoon). On Saturday we will focus on autoimmune hepatitis, the use of an EMR in a GI practice, Barrett's, pancreatic cysts, ERCP in altered anatomy, Hepatitis C therapies, variceal management, surgical issues in cirrhosis, fecal transplant, and difficult polyp cases. The Friday evening, we will also have a research poster symposium to highlight current research and have some endoscopic hands-on stations. This evening program will provide refreshments and 2 additional hours of CME credit.

EDUCATIONAL OBJECTIVES

- Develop a stepwise approach to optimize hydration & nutrition status in the patient with SBS.
- Evaluate feeding options in patients with pancreatitis based on current evidence.
- Provide current core information about TPN for the gastroenterologist.
- Review common TPN complications and management strategies.

SCIENTIFIC POSTER PRESENTATIONS

The Division of Gastroenterology and Hepatology at the University of Virginia invites residents and fellows to submit scientific abstracts and clinical vignettes for presentation at our annual meeting May 29-30, 2015. Contact Ladi Carr for more information at ladi@virginia.edu. The top 20 abstracts will receive a Research Award, complimentary registration to our conference and have accommodations provided at the Executive Darden Inn during the conference.

DISCLOSURE OF FACULTY FINANCIAL AFFILIATIONS

The University of Virginia School of Medicine, as an ACCME accredited provider, endorses and strives to comply with the Accreditation Council for Continuing Medical Education (ACCME) Standards of Commercial Support, Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines on the need for disclosure and monitoring of proprietary and financial interests that may affect the scientific integrity and balance of content delivered in continuing medical education activities under our auspices.

The University of Virginia School of Medicine requires that all CME activities within this institution's ACCME accreditation status be developed independently and be scientifically rigorous, balanced and objective in the presentation/discussion of its content, theories and practices.

All faculty presenters participating in an accredited CME activity are expected to disclose relevant financial relationships with commercial entities occurring within the past 12 months (such as grants or research support, employee, consultant, stock holder, member of speakers bureau, etc.). The University of Virginia School of Medicine will employ appropriate mechanisms to resolve potential conflicts of interest to maintain the standards of fair and balanced education for the participants. Questions about specific strategies can be directed to the Office of Continuing Medical Education, P.O. Box 800711, University of Virginia School of Medicine, Charlottesville, Virginia.

The faculty and staff of the University of Virginia Office of Continuing Medical Education have no financial affiliations to disclose.

Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices The University of Virginia School of Medicine, as an ACCME accredited provider, requires that all faculty presenters identify and disclose any off-label uses for pharmaceutical and medical device products. The University of Virginia School of Medicine recommends that each physician fully review all the available data on new products or procedures prior to clinical use.

The University of Virginia Office of Continuing Medical Education requires that all participants at live CME activities check in at the registration desk daily to confirm participation in the CME activity for that day.

SPECIAL NEEDS

The Americans with Disabilities Act of 1990 requires that all individuals, regardless of their disabilities, have equal access. The Office of Continuing Medical Education at the University of Virginia School of Medicine is pleased to assist participants with special needs. Written requests must be received 30 days prior to the conference date. These should be mailed to UVA Office of Continuing Medical Education, Box 800711, Charlottesville, VA 22908 or to uvacme@virginia.edu.
