PULMONARY AND CRITICAL CARE MEDICINE PRESENT

2ND Advanced Lung Disease and Lung Transplant Symposium

June 22, 2019

Kingsmill Resort, Williamsburg, VA

 **UNIVERSITY
of VIRGINIA
HEALTH SYSTEM**

PROVIDED BY THE OFFICE OF
CONTINUING MEDICAL
EDUCATION UNIVERSITY OF
VIRGINIA, SCHOOL OF
MEDICINE AND THE SCHOOL OF
NURSING CONTINUING
EDUCATION

PROGRAM DESCRIPTION

The 2nd Advanced Lung Disease and Lung Transplant Symposium 2019 will include a series of lectures given by experts in the field on topics that are highly relevant for practicing pulmonologists, physician assistants, nurse practitioners, nurses, respiratory therapists and anyone involved with pulmonary rehabilitation.

Lectures will include discussions on the management of refractory obstructive lung disease, diagnostic and therapeutic challenges and interactive cases pertaining to interstitial lung disease, management of advanced sarcoidosis, adult bronchiectasis, interactive cases and an in depth discussion on the multidisciplinary aspects of lung transplantation, palliative care requirements for patients with end-stage lung disease, pulmonary hypertension discussion and an overview of current and future lung transplant research happening at the University of Virginia. In addition to the didactic talks there will be at least one panel discussion presented by a multidisciplinary team.

EDUCATIONAL OBJECTIVES

At the completion of this program, participants will be able to:

1. Describe appropriate therapeutic diagnostic and therapeutic interventions for patients with refractory obstructive lung disease
2. Recognize clinical features of patients with interstitial lung disease related to mixed connective tissue disorders
3. Identify how advancements in pharmacogenetics and clinical research can have a positive impact on the management of interstitial lung disease
4. Discuss the diagnostic work-up for patients with adult bronchiectasis and identify appropriate therapeutic interventions
5. Recognize appropriate timing and indications for lung transplant referral
6. Understand the multi-disciplinary aspect of patient care in lung transplantation
7. Discuss the role of palliative care in the management of patients with advanced lung disease
8. Identify diagnostic and therapeutic pathways for patients with pulmonary hypertension
9. Discuss the diagnostic and therapeutic management of patients with advanced sarcoidosis
10. Describe progress in lung transplant-related research at UVA

FACULTY

PLANNING COMMITTEE

Max M. Weder, MD (Course Director)	Associate Professor	UVA Pulmonary & Critical Care
Molly P. Battle, RN, MSN, AG-ACNP	APN 1 NP	UVA Department of Surgery
Eva C. Casola, MBA	CME Program Manager	UVA School of Medicine
Heidi L. Flanagan, RN (Nursing Content Expert)	RN Care Coordinator-Clinician ³	UVA Lung Acquisition
Sarah K. Kilbourne, MD	Assistant Professor	UVA Pulmonary & Critical Care
Hannah C. Mannem, MD	Assistant Professor	UVA Pulmonary & Critical Care
Imre Noth, MD	Professor & Chief	UVA Pulmonary & Critical Care
Suzanne E. Queheillalt, MSN, ACNS-BC (Nurse Planner)	Clinical Nurse Specialist	UVA Multiorgan Transplant

INVITED SPEAKERS

Timothy J. Scialla, MD	Assistant Professor	Pulmonary, Allergy & Critical Care Medicine Duke University, Durham, NC
------------------------	---------------------	--

UVA FACULTY

Dana P. Albon, MD	Assistant Professor	UVA Pulmonary & Critical Care
Catherine A. Bonham, MD	Assistant Professor	UVA Pulmonary & Critical Care
A. Sasha Krupnick, MD	Associate Professor	UVA Department of Surgery
Andrew D. Mihalek, MD	Assistant Professor	UVA Pulmonary & Critical Care
Timothy B. Short, MD	Associate Professor	UVA General Medicine, Geriatrics & Palliative Care
Tessy K. Paul, MD	Assistant Professor	UVA Pulmonary & Critical Care

AGENDA

**Kingsmill Resort
Williamsburg, VA**

Start time	Activity	Speaker
7:00-7:55	Breakfast, Registration & Exhibitors	
7:55-8:00	Welcoming Remarks	Max M. Weder, MD
8:00-8:45	Refractory Obstructive Lung Disease	Timothy J. Scialla, MD
8:45-9:30	Interstitial Lung Disease – diagnostic challenges	Tessy K. Paul, MD
9:30-10:15	Interstitial Lung Disease – therapeutic challenges	Imre Noth, MD
10:15-10:45	Interstitial Lung Disease – interactive cases	Imre Noth, MD Tessy K. Paul, MD
10:45-11:00	Break & Exhibitors	
11:00-11:45	Management of advanced sarcoidosis	Catherine A. Bonham, MD
11:45-12:30	Adult bronchiectasis	Dana P. Albon, MD
12:30-1:30	Lunch & Exhibitors	
1:30-2:15	Lung Transplantation	Sarah K. Kilbourne, MD; Hannah C. Mannem, MD
2:15-2:45	It takes a village – multi-disciplinary care in lung transplantation	Heidi L. Flanagan, RN
2:45-3:15	Lung Transplantation – interactive cases/ selection	Sarah K. Kilbourne, MD Hannah C. Mannem, MD Molly P. Battle, NP Max M. Weder, MD
3:15-4:00	Palliative Care	Timothy B. Short, MD
4:00-4:15	Break & Exhibitors	
4:15-5:00	Pulmonary Hypertension	Andrew D. Mihalek, MD

5:45	Closing Remarks & Adjourn	Max M. Weder, MD

NOTE: Online syllabus will be available the week of the conference, updated the week after and accessible for 30 days post conference

ACCREDITATION AND DESIGNATION STATEMENT

The University of Virginia School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Virginia School of Medicine designates this live activity for a maximum of **8.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Virginia School of Medicine and/or The University of Virginia School of Nursing Continuing Education, as accredited provider(s), awards **8.25 hours of participation** (consistent with the designated number of *AMA PRA Category 1 Credit(s)™* or ANCC contact hours) to participants who successfully complete this educational activity. The University of Virginia School of Medicine and/or The University of Virginia School of Nursing Continuing Education maintains a record of participation for six (6) years.

The University of Virginia School of Nursing Continuing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The University of Virginia **SONCE awards 8.25 contact hours** for nurses who participate in this educational activity and complete the post activity evaluation.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

SPECIAL NEEDS

Please contact the CME Office (434-924-5310) with special needs or to update your profile.

LODGING

A block of rooms for this conference has been reserved at [Kingsmill Resort, Williamsburg, VA](#); 1010 Kingsmill Road, Williamsburg, VA 23185. To make reservations, please call Resort Reservations at 757-253-1703 or 1-800-832-5665 by **Friday, May 31, 2019** in order to secure a room at the block rate of \$209 + taxes. Rates will be honored 3 days pre/post the conference date. After **Friday, May 31, 2019** reservations will be taken on a space available basis only. Please be sure and identify yourself as a participant at the "UVA Lung Transplant Conference". Each guest will be charged the first night's room and tax. Rates cannot be changed at check-in or check-out for guests who failed to identify their affiliation at the time the reservation was made. Check-in time is 4:00 PM; check-out time is 11:00 AM.
